I Can Not Afford To Buy A Car Or House Without Asking The Bank, How Do I Escape Riba?

...

"You can if you want, go the way of the world. Let me tell you my way:

I've attended 5 Universities.

I was a Diplomat in the foreign service of my country (Trinidad).

I gave up that job.

Many Pakistanis told me I was a fool; only a fool will give up a job of a Diplomat to become a Mullah.

If I didn't give up that job, I couldn't be today with you (preaching Islam).

So there are things in life that money can not buy. I am now almost 70 years of age.

I never had a house. In 2005 I built the ground floor of my home with 1 bedroom. And then just before I

That's how houses were build long time ago. I didn't go to a bank to borrow money to build a house, no.

I lived in a rented apartment. I lived in New York for 10 years... in a small cubby apartments. Couldn't af

I left New York in 2011 after having lived in the United States for 12 years.

The car I was driving was worth \$500.

So there is that way which is the way of the world; you want a big job, you want a big house, you need a

And when you're in the Hell-fire, don't call me. Don't call me on the phone, don't send an email from Jah

Or you can go the other way. The other way is, you don't have to give up a house, and give up car and give
